

Clergy Licensing and Admission to this See

All clergy worldwide (including Africa) must apply to be accepted into this see directly to my office in Northridge, CA. No clergy may be accepted by my vicars. No promises of ordination, consecration or any licensing can be issued by my vicars. All candidates must follow the process on the website and complete a packet. That packet must be sent via regular post to my office in Northridge.

Vicars are not authorized to "negotiate" anything. Applicants must present their credentials to me directly via post. Certificates will be issued after the proper process directly from my office by my hand only.

Vicars who do not follow this process will be suspended or excommunicated.
